EuroKids Youth Club S1-S3

Tassilo-Sittmann-Haus

We are pleased to present to you our new "EuroKids Youth Club S1-S3", which will start at the Tassilo Sittmanhaus (TSH) from September 2024.

Description of the EuroKids Youth Club:

The "EuroKids Youth Club S1-S3" aims to provide an environment for pupils in grades S1 to S3 at TSH. This will provide students with a cool youth club with a variety of activities including cooking, sports, STEM and homework support and a diverse youth club program for older students to interact in a new atmosphere outside of school.

- Aimed specifically at secondary pupils: The youth club is aimed at students in the higher grades (S1-S3), which means that activities and programs are tailored to their needs and interests.
- Leisure-oriented program: The youth club focuses on recreational activities and creative programs and homework support that give students the opportunity to relax, have fun and pursue their interests.
- Promoting personal responsibility and independence: Youth clubs offer students the opportunity to act and make decisions on their own responsibility. They can develop in a safe environment and learn to take responsibility for themselves and others.
- Social interaction and exchange: By participating in a youth club, students can make new friends, develop social skills, and engage in a supportive community.
- Diverse activities and programs: Youth clubs offer a wide range of activities including sports, art, music, theatre, workshops, and field trips. This allows students to explore their interests and discover new talents.
- Encouraging creativity and self-expression: Through creative projects and activities at the youth club, students can develop their artistic skills and express their own path.
- Support with school challenges: A youth club can also help students with school challenges by providing them with a place to do homework or receive extra learning support.

Overall, a youth club provides a positive and enriching environment that gives students the opportunity to develop personally, gain new experiences and fulfil their potential.

Let your child take part in a wonderful new opportunity to flourish at the EuroKids Youth Club!
